AMTGARD MONSTER CHALLENGE: Gather your team and battle against waves of monsters unleashed in the YC3 arena! They're not friendly, and you'll want to take them down fast. Participants will compete against other teams for the best time. Do you have what it takes to be YC3's top Monster Hunters?

PANEL DESCRIPTIONS

TAKE ONE: CON-QUEST: Come along and join the show of a lifetime as Take One Improv takes con-goers into a world of fun with a variety of improv games, stand-up, dramatic readings of internet nonsense, lip-sync showdowns, and see beloved movies and television shows re-cast with characters that definitely don't belong. Join us for a randomly wild ride! Note: this panel is rated PG-13

TAKE ONE: IMPROV COMEDY SHOW: Our actors put on a short-form improv comedy show, similar to *Whose Line Is It Anyway*, that is suitable for all ages.

TAKE ONE: LIP-SYNC BATTLE: So you want to be the next pop star, but don't know how to sing? No problem! Performance is half of the battle. Compete against other want-to-be performers in a lip-sync battle competition, including performances by members of Take One.

TAKE ONE: SKIT, SKETCH, SCRIPT: Learn the process used by Second City, SNL, etc. to create creative sketches and scripts. We take you step by step from conception to script with the possibility of a finished product at the end written by the attendees.

TAKE ONE: UNLEASHED: (16+): Just as the title suggests, this improv show is free from filters and restraints. This is a no-holds-barred show of absolute hilarity. Audience suggestions are allowed to get as crazy as the crowd dares. Take One also agrees to answer any and all questions you can throw at them with brutal honesty.

AEROPPOINT MEDIA: Struggling to get that YouTube channel of yours off the ground? Hear from Adam Morris, creator of Aeropoint Media, about how to be a successful YouTuber!

BACK TO BASICS: Go back, all the way back, to the basics and learn how to draw by building up from the most basic of shapes. Learn how to look at people, animals, and your surroundings to break down what you see! Whether you're a new, budding artist or an ol' doodler who just needs a refresher this is the workshop for you!

COSPLAY CRAFTS: Bring your kiddos to craft simple cosplay materials!

CRITICAL ROLE MEETUP: Fans of the genius mind of Matt Mercer unite! Share your favorite Critical Role memories, meet other Critters, and form new D&D groups to your heart's content!

DISCOVERY CENTER: Witness amazing spectacles and learn the scientific magic behind them with the Don Harrington Discovery Center!

D & D ONE SHOTS: Always wanted to play Dungeons and Dragons but never had the chance? We've got you covered! Jump in with both feet and participate in an hour-long adventure with an experienced dungeon master!

DISAPPEARANCE OF FEARLESS JONES: A lion tamer from The Cirque de Singe has disappeared from his locked, windowless compartment on board the circus train bound for Chipmunk Flats. The missing man had a penchant for blackmail. Was the law getting too close? Did he make himself disappear? It looks like a simple missing person case until a headless automaton is found. Can you solve the mystery before the next stop? This audience involved steampunk mystery panel will keep you guessing. Be a character or read a clue but solve the mystery before the next stop!

PANEL DESCRIPTIONS

DOUBLE DOG DARE: Relive all the fun of the classic Nickelodeon game show by answering trivia questions and competing in physical challenges, or just enjoy the show as a spectator!

GO: THE GAME OF PAST AND FUTURE: Go is the oldest game still played in its original form, a highly strategic mixture between chess, Connect 4, and Othello. Learn a general overview of the game as well as basic rules and history. We'll also take an interesting look at the past and a look to the future of AI.

HARRY POTTER MEET UP: Muggles and wizards alike are welcome to join together to celebrate the wonderful world of Harry Potter! All houses welcome!

HIGH TEA AT HIGH NOON: Join us for a Tea Dueling Tournament following the rules and regulations of the American Tea Dueling Society! 16 contestants will battle for the title and a prize!

HOW TO DRAW HANDS AND FEET: These are arguably two of the most difficult aspects of a humanoid to draw for artists new and old. Learn some tips, tricks, and techniques to improve your own skills. Bring a sketch book!

HOW TO PLAN A MURDER_ MYSTERY PARTY: Do you love LARP? Steampunk? Cosplay? A good who-dunnit? Come join us for an introduction to Murder Mystery Dinner Parties. We will discuss tips and tricks of finding the perfect game, casting characters and setting the mood for a successful party. Who doesn't love a bit of murder and mayhem?

HOW TO RULE THE WORLD: Do you have a little bit of megalomania inside you? Good! Most Dungeon Masters do! Learn from two experienced local DMs exactly what it takes it takes to build the perfect sandbox for your players to explore. They'll share their experiences with D&D and answer any questions you may have!

LET'S DUNGEON SOME DRAGONS: New to the world of Dungeons and Dragons? Learn how to craft the perfect character from an experienced player and get all your questions answered! All you need to bring is your imagination (and maybe a pencil)!

THE NIGHT NERD YC3 SPECIAL: The Night Nerd celebrates the wonderful guests of YC3 by counting down our favorite Star Trek characters, pirates, vampires and even adding a character the Guardians of the Galaxy! Join us and find out if your favorites made the list!

PANHANDLE COSPLAY: Are you interested in getting started in cosplay? Hear from our local experts CandySkull Cosplay, Slashwolf, Nikachu, ZohDz, and My Circus My Monkey's Cosplay as they discuss their tips and tricks!

POSITIVITY IN COSPLAY: Everyone struggles with negativity in many aspects of their lives, whether it be thoughts in their own heads that they aren't good enough, comments in passing from judgmental family, or any other number of places. In cosplay, we tend to struggle just as much, unable to feel proud or stopping ourselves from making or wearing cosplays we think we aren't good enough for. Learn how to love yourself as a cosplayer and build those positive vibes!

PANEL DESCRIPTIONS

TABLETOP STORYTELLING: I do a lot of live videos and YouTube videos - I will cover the basics of role playing in game and give individuals who come a ton of tools for their tool box. The idea is to compare and contrast what some people think a tabletop RPG is and what it truly is.

THE THING FROM CHIPMUNK FLATS: In the small town of Chipmunk Flats, weird lights flashed through the sky and a meteor appeared to crash into the back pasture of Old Man Willard's ranch just outside of town. When Old Man Willard investigated, he found a small space craft had crashed and he immediately called the Sheriff. A scientist working nearby was called in to take a look. Alien looking tracks led away from the craft and transformed into human footprints as they headed for town. Is there an alien among us and what are his/her/its intentions? This audience involved mystery panel will keep you guessing. Be a character or read a clue but solve the mystery before it's too late!

WT VS AC LEAGUE OF LEGENDS: It's an e-sports throw down as Amarillo College takes on West Texas A&M in one of the most popular competitive PC games on the market!

WEST TEXAS GALACTIC ALLIANCE: Do you want to bring Star Wars to life? Learn from our local 501st Legion chapter about the history of the groups, costuming requirements, costume building, charity fund raising, the differences between the clubs, and more!

WRITING WORKSHOP: WORLD-BUILDING 101: Join Libbi Duncan, author of young adult sci-fi series THE SCORCHING TRILOGY, in an interactive class on how to create a vivid world for your next story.
